Well in this clip, lol Mary J and her team to gets to invited to Clive Davis dinner party, Mary is going through something so she already ain't feeling it.....

I guess they started to film and Mary is like slumping basically not into it and Diana telling her to sit up straight and fake for the cameras.

Starts at 7:30 mark

Other parts of talks about artist getting forced into image that their record label builds for them.

Not really new info for me most y'all favs are forced and fake lol.
